11. The conduct of the bar, its owners, employees and patrons inside of the bar and others attracted to the neighborhood by the bar are a continuous and persistent disruption of the peace and good order of the neighborhood surrounding the bar. The disruption of the peace and good order of the neighborhood surrounding the bar is causally related to the occurrences inside the bar.
12. The conduct of the bar, its owners, employees, and patrons has and will continue to cause local businesses to be disturbed and has created an unattractive economic blight in the area.
13. This office put one of the owners, Drew Ziccardi, on notice that Levelz is on the Allegheny County Nuisance Bar list on July 27, 2012. In this meeting, Ziccardi stated that they patdown all of the patrons that come into the bar. This office has since learned that the patrons are not patted down. This has been verified by an undercover Office with Liquor Control Enforcement, who, on nine (9) occasions entered the bar without being searched.
14. That **36 businesses, local community groups and the area council man** in the immediate vicinity surrounding the bar have signed complaint letters addressing the concern for the safety of their

employees and customers and the negative impact that Levelz has had on their businesses. (Copies of the complaint letters are attached hereto, incorporated herein and marked as Commonwealth Exhibit 4.)

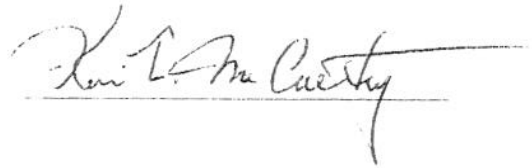

15. The conduct of the bar, its owners, employees, and patrons has and will continue to force residents in the immediate vicinity surrounding the bar to live in fear and danger.
16. The Pittsburgh Police Department, especially ZONE 3, has been required to expend disproportionate amounts of resources to investigate the criminal conduct and nuisance behavior described above. (Copies of the complaint letters from Commander McNeilly (Zone 3) are attached hereto, incorporated herein and marked as Commonwealth Exhibit 5.)
17. The Commonwealth, the residents of the area, as well as the visitors to the area, the businesses and police are suffering and will continue to suffer immediate and irreparable harm which cannot be compensated by damages.
18. It is apparent that the bar cannot and will not control the patrons and the persons attracted to the vicinity of the bar to the extent that they terrorize the neighborhood, ruin its peace and safety and good order making it a miserable, fearful and dangerous place to live, visit or work.
19. Greater harm would result by refusing to grant the injunction than by granting the injunction.
20. The Commonwealth has no adequate remedies at law for this problem.

WHEREFORE, the Commonwealth of Pennsylvania, on relation and information of STEPHEN A. ZAPPALA, JR., District Attorney of Allegheny County, Pennsylvania, respectfully requests that this Honorable Court issue a decree ordering such common and public nuisance be abated, and restraining the defendant, Levelz, its agents, servants, employees, successors, assigns, and anyone acting together or with or on

behalf of them from occupying or using its leased premises initially for five days and then for ONE year thereafter, and ordering no liquor, alcohol or malt or brewed beverage be manufactured, sold offered for sale, transported, bartered, or furnished or stored in bond, or store for hire in the licensed premises during the aforesaid period.

Respectfully submitted,
